FALL QUARTER 2011

OCTOBER 10, 2011

Welcome Back Aggies!

We hope that you all had a fun and revitalizing summer! But now, it's time to get back in gear and get a strong start to this Fall Quarter.

This year, there are a couple new changes in Managerial Economics Student Services.

Your four new awesome Peer Advisors are: Andrea (3rd year), Derek (3rd year), Adedamola, AKA D-Mo (4th year), and Eliseo (4th year).

We are all very excited to be here and offer our guidance.

We are available for drop-in appointments, Monday through Friday at varying times (schedule Included on the back).

Although we love advis-

ing in person, we also offer advising services online. You can utilize our Facebook advising by "liking" the UC Davis Managerial Economics page. then post a question on our "wall." Your question will be answered promptly.

Another popular online service is our AIM Instant Messenger advising. To access this feature simply add ME Peer Advising and ask away.

New Master Advisor— Dr. Martin

The Managerial Economics program is excited to welcome Dr. Phillip Martin as our new Master Advisor. Dr. Martin currently teaches ARE 150, Agricultural Labor, and also leads our ARE 194H class which is a special study for honors students. His fields of interest include immigration, farm labor, and economic development. Dr. Martin is excited for the opportunity to work more closely with our undergraduates in this integral role as Master Advisor.

New GE Requirement

The new GE requirement applies **ONLY TO FRESHMEN** entering UC Davis in Fall 2011 and after. Any questions should be directed to the Dean's Office in 150 Mrak Hall. Their phone number is 530-752-0108.

What can I take P/NP?

- Up to 1/3 of all coursework taken at UCD
- Major Breadth classes
- Preparatory Requirements **not used** for the Entrance Requirement GPA calculation.

Get Help With Preparatory Math

Check out tutoring in 125 South Hall

Math Specialists and tutors are available to assist with course material and homework for

MAT 16 ABC , MAT 21 AB
STA 13 and 103

A strong foundation in calculus and statistics will contribute to future success in upper division coursework.

Interested in graduate school?

The Student Academic Success Center (SASC) offers Pre-Graduate and Pre-professional advising in the areas of:

- Health Sciences
- Pre-Graduate
- Pre-Teaching Credential
- Pre-Law
- Pre-Business

Stop by their office in 111 South Hall, call them at 530-752-4475, or visit them online at sasc.ucdavis.edu the click on Pre-Grad./Prof. Advising tab.

Meet your new Peer Advisors!

Andrea

I am a junior double majoring in Managerial Economics and Psychology. I'm very passionate about the Man Econ major and all the unique things it has to offer, and I am eager to help other students to succeed as well. Don't hesitate to come in any time with any questions you might have!

Eliseo

I am a senior Man Econ major with a Minor in Communication. I love the Man Econ major for several reasons, but mostly because of all of the great peers and professors that I have met through meeting and working with you.

Adedamola (D-Mo)

I am a fourth year Man Econ major. I chose Man Econ because, the courses complement a career in the financial sector, As a new peer adviser, I am excited to share information on the many benefits Man Econ offers.

Derek

I'm a third year Man Econ and Computational Statistics double major. I enjoy learning math and computer programming though they are very challenging. If you have inquiries about double majoring in Man Econ and Statistics or any questions at all, feel free to come see me!

Hours	Monday	Tuesday	Wednesday	Thursday	Friday
